All-terrain design.  
For all-out stereo sound.

## ROCK THE POOL

Or the campsite or the trail. Wherever there's sun, you've got an instant party. Connect wirelessly to any Bluetooth® enabled device and start blasting your favorite tunes in stereo sound. Our super-efficient solar panel powers both the music...and the fun.

## GO WIRELESS

Stream all your music from any Bluetooth® enabled smartphone, tablet or computer and control your tunes from your device. No wires. No docks. No hassle. With one-touch pairing you'll be jamming in no time.

## GET POWERED UP

Rugged Rukus' incredible solar panel generates massive amounts of power to play your music all day long. When it gets dark, the internal lithium battery will keep the music going for 8 hours. Or you can use the micro-USB cable with your smartphone charger for non-stop entertainment.
